

# THE ERSBio COMMUNICATION MODULE

The ERSBio Communication Module enables businesses to send personalised bulk SMS messages to their database of employees, business partners or clients, as well as suppliers, from a central point. Ideal for communication while your staff is working from home.

- Send messages immediately or schedule them
- Personalise messages
- Incorporate data from any field (Amount Due, etc.)
- Save Template messages
- Sends automatic messages for special dates (Birthdays etc.)
- Allows for reply messages
- Comprehensive reporting
